

Wahine Hawaiian Language Month Celebration Flyer

2023-2024 (2023-2024)

Wahine Hawaiian Language Month is celebrated from August 1st to August 31st.

Wahine Hawaiian Language Month is a time to celebrate the contributions of Hawaiian women to the community and to the world. It is a time to honor the strength, resilience, and wisdom of our women and to learn from their experiences.

Wahine

The word "Wahine" means "woman" in Hawaiian. It is a word that carries a lot of meaning and history. In Hawaiian culture, women are the backbone of the community. They are the ones who keep the traditions alive and who pass them on to the next generation. They are the ones who teach their children the values of respect, compassion, and hard work. They are the ones who make the world a better place.

Wahine Hawaiian Language Month is a time to celebrate the strength and resilience of our women. It is a time to honor the wisdom and knowledge that they have passed on to us. It is a time to learn from their experiences and to be inspired by their achievements. We hope that this month will be a time of reflection and growth for all of us.
