THE NATIONAL BUREAU OF EDUCATION, WASHINGTON, D. C. 20540

The National Bureau of Education is a Federal agency of the United States Department of Education. It is the principal agency for the collection, analysis, and dissemination of information on educational trends and problems. It also conducts research and provides technical assistance to State and local educational agencies. The Bureau is organized into several divisions, each of which is responsible for a specific area of education. These divisions are: Administration, Research, Statistics, and Technical Assistance. The Bureau also has a number of advisory committees and a staff of consultants who provide expert advice on various educational issues.
